

10YPP Specialist High-Level Report: Electrical

New Zealand
School Property Agency

School Name

Principal

School ID

Contractor name and organisation

Address

Contact details

Please complete for each block. Please separate maintenance works from suggested upgrades and improvements.

Location (site/ block)	Are there any issues with the electrical services?	Are any upgrades required?	If so 1. What are the key issues? 2. What are the reasons for any required upgrade?	Is further investigation required?	Recommended actions and timeline (years 0-5, 6-10 and 10+)	Estimated cost	Comments

I confirm that, to the best of my knowledge, the information above is correct at the time of this assessment.

DD/MM/YYYY
